1. Purpose of this Cookie Policy

This Cookie Policy explains how ECOSYN Foundation uses cookies and similar technologies on its official website. It is intended to provide clear and transparent information to visitors about the types of cookies used, the purposes for which they are used, and the choices available to visitors.

ECOSYN Foundation currently uses only limited cookies necessary for website operation, security, and user preference functionality. ECOSYN Foundation does not currently use advertising cookies, profiling cookies, or third-party analytics cookies on its website.

If ECOSYN Foundation introduces additional cookies in the future, such as analytics, embedded media, or marketing-related technologies, this Cookie Policy will be updated and, where legally required, consent will be requested before such cookies are placed.

2. What Cookies Are

Cookies are small text files placed on a visitor's device when a website is accessed. Cookies can help a website function correctly, remember user preferences, improve security, and support the delivery of online services.

Cookies may be temporary session cookies, which expire when the browser is closed, or persistent cookies, which remain on the device for a defined period unless deleted earlier by the user.

3. Cookies Used by ECOSYN Foundation

ECOSYN Foundation uses a minimal cookie approach. The website is designed to operate without unnecessary tracking. The categories below describe the cookies or similar local storage technologies that may be used on the website.

- Essential cookies: required for basic website functionality, such as page navigation and secure delivery of content.
- Security cookies: used to help protect the website, detect abuse, prevent unauthorized access, and maintain integrity of online services.
- Language preference cookies: used to remember the visitor's selected language or interface preference.
- Session cookies: used temporarily during a website visit and deleted automatically when the browsing session ends.

4. Cookie Overview

Category	Purpose	Typical Duration	Consent
Essential cookies	Enable core website functionality and navigation.	Session or short-term	Not required where strictly necessary.
Security cookies	Support protection against abuse, unauthorized access, or technical misuse.	Session or limited persistent period	Not required where strictly necessary for security.
Language preference cookies	Remember selected language or interface preference.	Persistent until changed or deleted	Usually not required where limited to user preference.
Analytics cookies	Not currently used by ECOSYN Foundation.	Not applicable	Would require appropriate notice and, where required, consent.
Advertising / tracking cookies	Not used by ECOSYN Foundation.	Not applicable	Would require consent before use.

5. No Analytics or Advertising Cookies

ECOSYN Foundation does not currently use Google Analytics, Matomo, advertising networks, retargeting pixels, behavioral profiling cookies, or similar third-party tracking technologies.

The website is therefore operated with a privacy-conscious approach that avoids unnecessary monitoring of visitors. If this changes, ECOSYN Foundation will update this Cookie Policy and the website notice accordingly.

6. Managing Cookies

Visitors may control or delete cookies through their browser settings. Most browsers allow users to block cookies, delete existing cookies, or receive a warning before cookies are stored.

Blocking strictly necessary cookies may affect the functionality, security, or usability of the website. Language preference cookies can usually be deleted or changed by clearing browser data or selecting another language on the website.

7. Third-Party Content

The website may include links to third-party websites or external resources. Such third-party websites may use their own cookies or tracking technologies. ECOSYN Foundation is not responsible for the cookie practices of external websites.

Visitors should review the cookie and privacy policies of any external website they access through links provided on the ECOSYN Foundation website.

8. Updates to this Policy

ECOSYN Foundation may amend this Cookie Policy from time to time to reflect changes in website functionality, legal requirements, or operational practices.

The latest version will be published on the ECOSYN Foundation website. Continued use of the website after publication of an updated version indicates acknowledgement of the updated information.
